

REVIEW OF *THE LAST MURDER AT THE END OF THE WORLD*

“Why doesn’t anybody question anything?” she asks her grandfather, focusing on him once again.

“They like being happy,” he says simply.

“I’m not trying to change that.”

“Yet answers nearly always do,” he replies...

Turton’s previous two novels put him into the *I-will-read-anything-this-guy-writes* category for me. The low goodreads rating on this one had me worried, and I do think it’s weaker than his previous works, but I still really liked it.
